Hi Hector,

Was getting this signed and back to you today, but had a question.

When discussing with Alex and Brian, I had thought of this as us leasing the bikes from Securitas.

In other words, you guys would own the bikes. Is that the case or would we own the bikes after they the purchase is paid off over 3 years?

Thanks.

If we have remaining funds in our bike budget at the end of the first two years, can we some of the amount down?

You could pay it all in 1, or 2 years or wait until the term are up, All I have to do is stop billing you back. This is more like a loan to help the team get new bikes.
